6:30PM EST, Town Council President, Sid Holderly called the Town Council meeting to order. Sid led the pledge of allegiance and asked all in attendance to silence their phones.

A motion to accept the agenda as presented was made with a second to the motion and the motion carried.

A motion was made to accept the March 10, 2026 minutes as presented. A second to the motion was made and the motion carried.

A motion was made to accept the March 16, 2026 work session minutes as presented. A second to the motion was made and the motion carried.

A motion was made to approve the February 2026 financials that weren't available at last months meeting. A second to the motion was made and the motion carried. Note...March financials were not available due to computer issues that IT had not got resolved prior to meeting.

Old Business – None at this meeting.

New Business – The council made a motion to set Trash Spring clean-up day for Thursday, May 14th. A second to the motion was made and the motion carried.

An amendment to the 2026 Salary Ordinance was presented with additions from the March 16th work session. The addition was the following: Town Municipal Superintendent will be a non-exempt employee to work 40 hours per week and can accumulate up to a maximum of 100 hours of compensation time at time and a half (1.5). Any compensation time over 100 hours will be paid as overtime at time and a half rate (1.5). A motion was made to accept the amendment with a second to the motion and the motion carried.

A Resolution and Grant Agreement were presented for reimbursement of up to \$140,000 for the temporary water treatment plant. A motion was made to accept both the resolution and grant agreement. A second to the motion was made and the motion carried.

Reynolds resident, Chris Fullerton read a written statement with several concerns of the operation with the Reynolds Police Department and the Reynolds Town Council. The Council will take the concerns under advisement and they set an Executive Session for Thursday, April 23rd at 6:30PM to discuss further.

Sharon Brooks reported an update on the parks in town. The equipment at Woodpecker Park is old and not safe, so she has a quote of approximately \$53,000 for new equipment to be placed on the south ballfield. This includes, equipment, installation, excavating (removing) the sod and putting down mulch. The Honey Creek Township Board approved to pay half of the \$53,000 and she asked the Town Council if they would consider paying the other half. Clerk Treasurer, Pam Cochran said there were funds in the windmill account and Community Development account that could be used to cover this cost. A motion was made to take \$20,000 from the windmill account and the remaining balance from the Community Development fund to cover this phase. A second to the motion was made and the motion carried.

Bob Hall, Town Superintendent – Bob went over his written report that all council members received with some action items that needed to be taken. Bob has a quote of approximately \$7300 for Demerly Electric to move all the electric from the current building to the lab. It is currently not safe to go in the current building especially when wet due to holes in the roof. A motion was made to approve this quote and move forward. A second to the motion was made and the motion carried. The Steam Gauge has been installed and steps down the bank have been installed. Bob is currently reviewing the blue prints of the new treatment plant and making any adjustments before final plans are submitted.

Clifford Robinson, Town Attorney – Currently working with Wayne on a small claims issue; working with Pam to get all documents submitted for the SRF loan and grant agreement; and will be available by phone for the Executive Session on April 23rd.

Ken Smith, Town Engineer – Not present

Wayne Winkler, Marshal – Not present due to mandatory annual training and recertification of K9 Dingo.

Pam Cochran, Town Clerk – Presented a Resolution to enlarge the PERF account and add Marshal Winkler. A motion was made to accept the Resolution presented and enlarge the account with a second to the motion and the motion carried.

Carol Hendress – 20 Disconnect letters sent. One was shutoff. We received our first TRECS payment of \$289 that covered two outstanding accounts. Carol also asked the Council to approve a Policy on accounts in a Hold status or shut off per the resident request. Do we continue to charge base rate for water and wastewater and all other flat rate charges, or don't send a bill and charge them anything? The council and attorney all thought this had already been established and that YES, they still need to be charged base rates. The town still has infrastructure in the ground connecting to their resident and has to collect monthly for that. Carol will type up a policy and the council will sign at the May 12th meeting.

Mike Ransone, KIRPC – No report this month.

Jerry Robertson, Steering Committee – Nothing more to report. Bob covered it all. This report will be removed since it is mostly covered under Bob's report.

Maureen Buschman, Economic Development – Not present, but Carol did say that she got an invitation to the Annual Economic Development Meeting on May 21st at 5:30PM at Indiana Beach Ballroom. It would be great for council to attend.

Public Comments – Jaylen Morgan did ask more questions about the Police Department and Council President, Sid Holderly said that nothing more will be discussed until the council can talk further amongst themselves and the Marshal.

Hearing nothing further, a motion to adjourn was made with a second to the motion and the motion carried.

Respectfully submitted,
